CONCEJO MUNICIPAL DE SUNCHALES	

Propuesta de trabajo para entregar a los concejales.

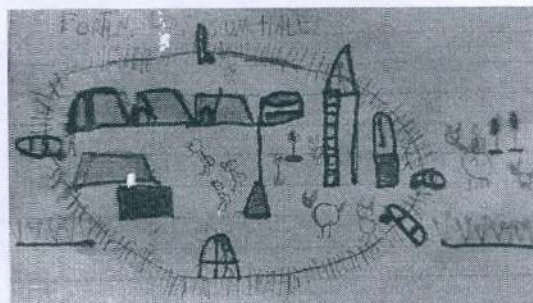

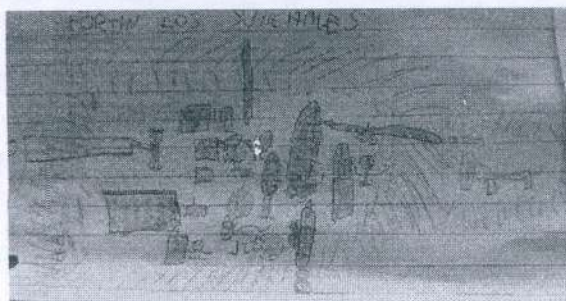

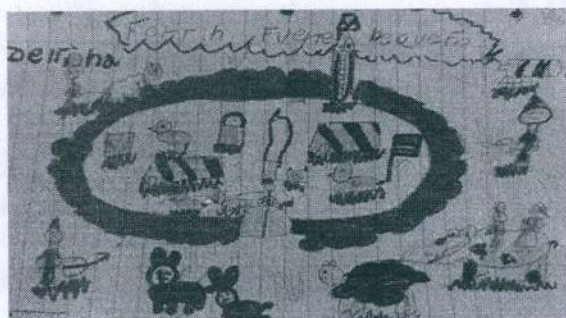

2-Los alumnos observaron videos de la Historia de Sunchales, escucharon relatos de la misma, miraron detenidamente fotografías y textos de la época de las tres colonizaciones de Sunchales. Dibujaron un mangrullo, un cañón y se imaginaron aquel Fortín de los Sunchales. Realizando dibujos y afiches del Fortín que imaginaron.

Los niños se imaginaron estar en esa época dibujando el Fuerte de los Sunchales con sus integrantes.

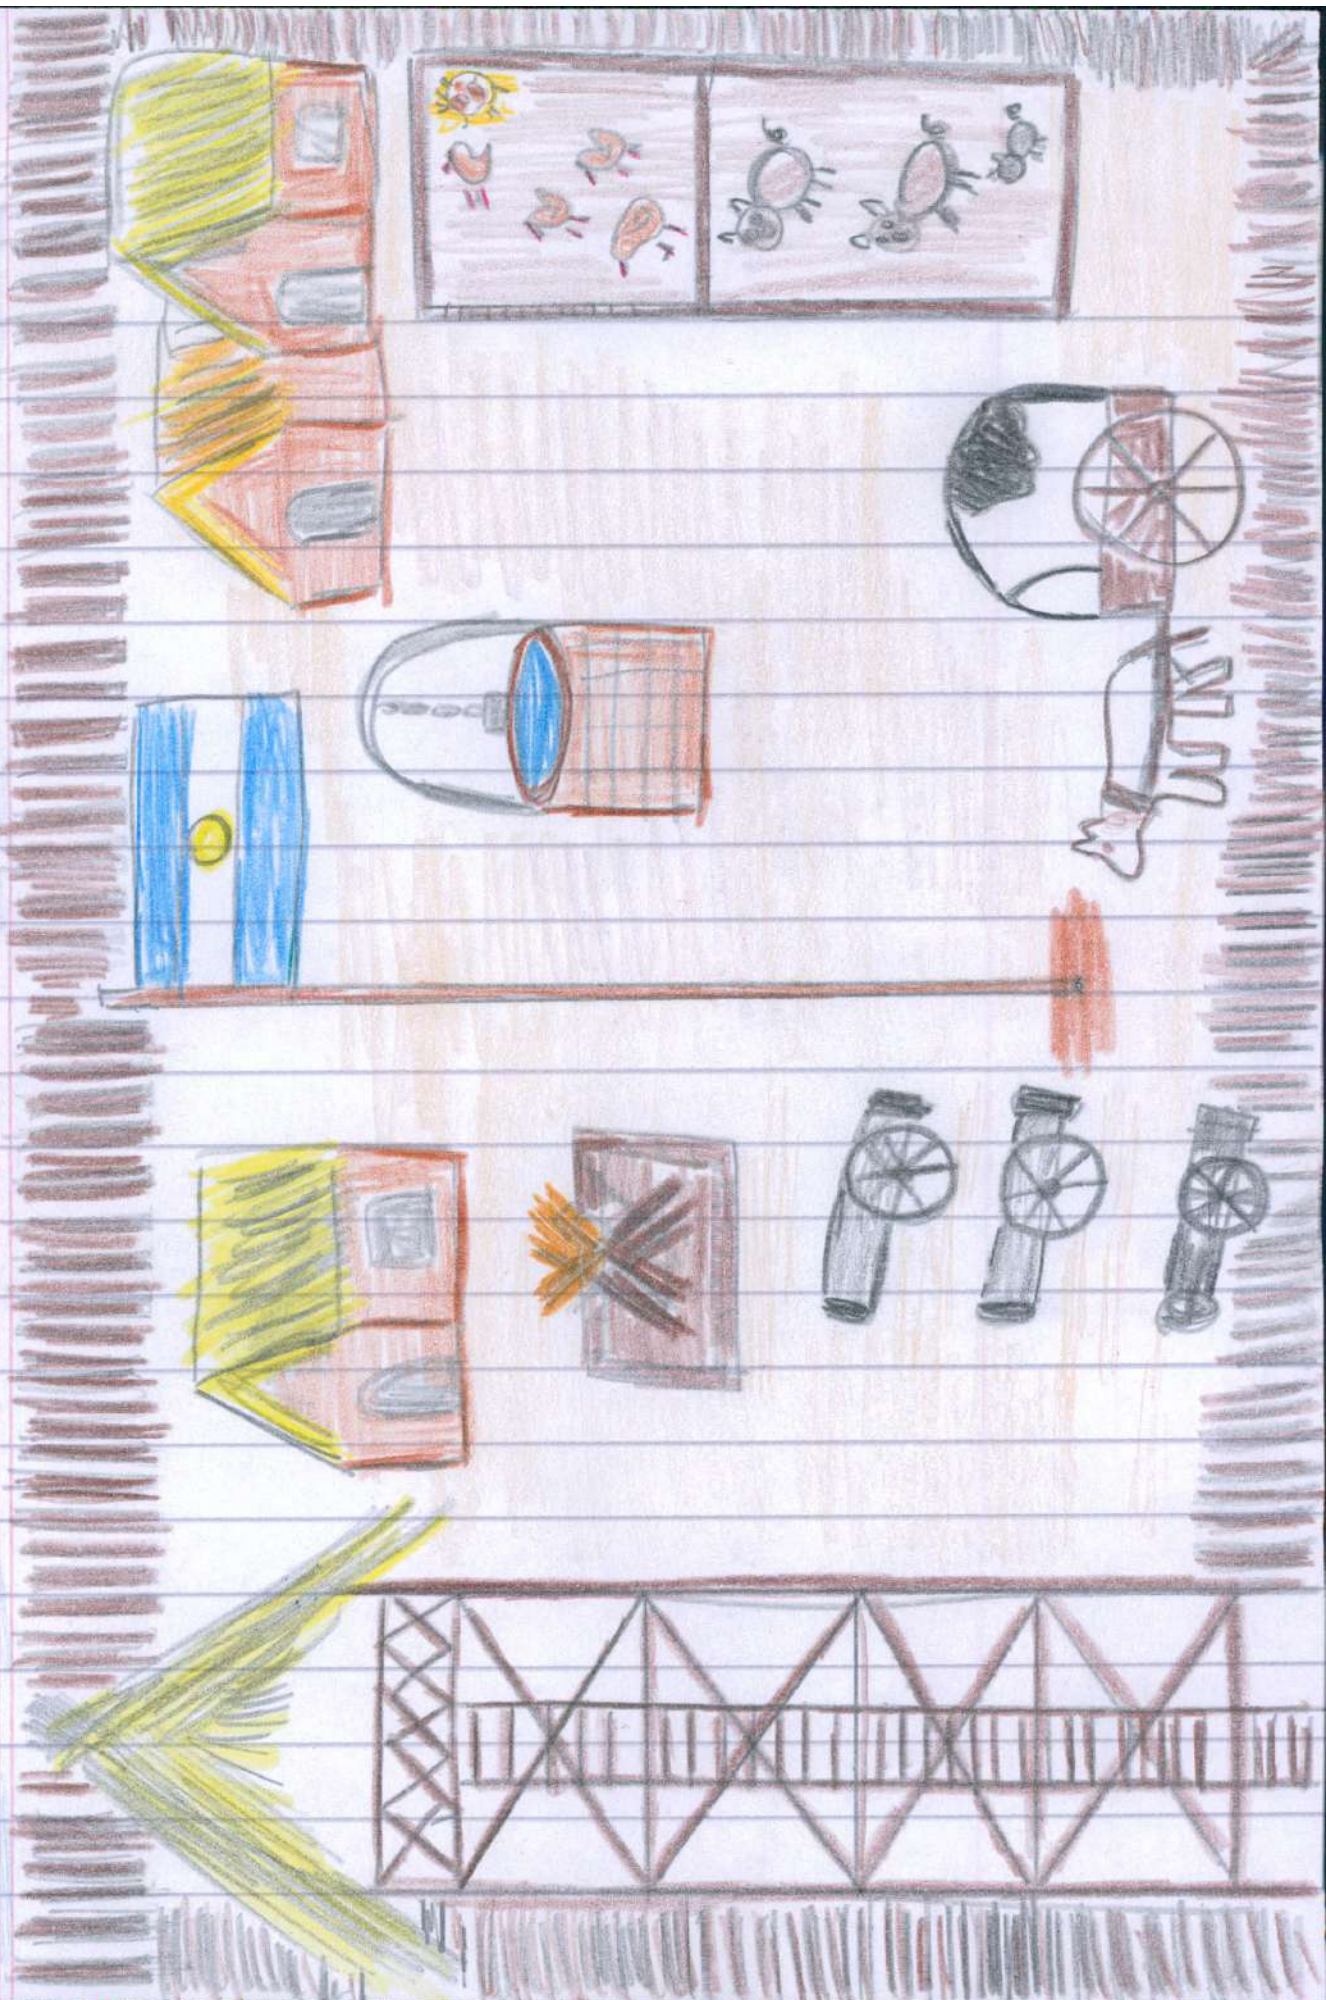

La propuesta de nuestros niños es armar con la ayuda de la municipalidad, un Fuerte de Sunchales temático con su mangrullo, su bandera, su aljibe, sus cañones, sus animales, su huerta etc.

Para mostrar los antepasados de nuestra ciudad a los niños, adultos de Sunchales y visitantes de distintos lugares.
